- NSTR

## County Reports

### Contra Costa

- The Kaiser lab transmission issues to CalREDIE have been resolved based on the data displayed to CalREDIE.

### Lake

- Struggling to maintain inter-facility transport staffing numbers adequate for timely movement of patients. Working with Local Emergency Medical Services Authority (LEMSA) & local partners to resolve.
- SNFs experiencing staffing shortages and can only accept additional patients as staffing ratios permit. Staffing shortage expected to worsen after state mandated vaccination deadline.

### Tehama

- Providing vaccination clinics at various communal locations and events to increase vaccine accessibility. Tehama County has provided vaccine educational forums and various clinics by request to places of employment and school related events. Continuing to seek out locations conducive and receptive for hosting vaccine clinics within Tehama County and specifically attempting to schedule school-based clinics due to the up tick in positive cases at local schools. Tehama County Health Services Agency (TCHSA) Public Health is also currently administering (CORD) COVID outreach material to communities and populations in Tehama County that are disproportionately burdened by the pandemic.
